Handlungsgrundlage	
Teaser	Do you extract water from a surface water body or from groundwater, or do you extract or discharge groundwater? If so, a fee must be paid to the respective federal state.
Volltext	In Germany, a water withdrawal charge may be levied for the withdrawal and discharge of water from surface waters, as well as for the withdrawal, pumping, pumping and discharge of groundwater. It is up to the individual federal states to decide whether and to what extent the water withdrawal charge is to be levied.
Erforderliche Unterlagen	There is no uniform regulation in the federal states in which the water withdrawal charge is levied.
Voraussetzungen	Any person who withdraws or discharges water from a surface water body or withdraws, brings to the surface, conducts to the surface or discharges groundwater is liable to pay a water withdrawal charge.
Kosten	The amount of the charge depends on the medium from which the water was taken (groundwater or surface water), the amount of water and the charge rate to be applied in each case.
Verfahrensablauf	There is no uniform procedure among the federal states, as this depends on the specific legal requirements and structures in the individual states.
Bearbeitungsdauer	The processing time depends on the quality and volume of the submitted forms and documents.
