corresponding list.

State-recognized experts for fire protection testing check whether the project meets the requirements for structural fire protection and certify the completeness and correctness of the fire protection certificates. The certificate includes the test report and a copy of the building documents tested for fire protection.

As an external expert, you must notify the first-time provision of services in advance or apply for a certificate of compliance with the material requirements.

## Erforderliche Unterlagen

Notification of the first-time provision of the service:

- Certificate of legal establishment in a member state of the EU (or equivalent state) for the performance of the activity
- Proof of fulfillment of comparable requirements for exercising the activity in the country of establishment

Application for a certificate:

- Certificate of legal establishment in a member state of the EU (or equivalent state) for the purpose of exercising the activity
- Proof of actual fulfillment of the recognition requirements

## Voraussetzungen

If you are established in another member state of the European Union (or a state treated as such) to perform this task, you are authorized to work as an expert in North Rhine-Westphalia:

- if you have a comparable authorization with regard to your field of activity and
- you had to meet comparable requirements in terms of recognition requirements and proof of knowledge, and
- if you are not prohibited, even temporarily, from exercising the activity (1st alternative) or
