Teaser	You would like to be involved in the discussion and participation in the implementation of the redevelopment measure
Volltext	<p>During the preparation of the redevelopment (implementation of the preparatory study in accordance with §141 BauGB) and the implementation of the redevelopment (drafting of the redevelopment statutes, implementation of individual measures), information is provided on rights and obligations and there is the opportunity to comment on specified procedural steps for planning.</p> <p>The aim of participation is to</p> <ul style="list-style-type: none"> <li>• identify the interests of those affected by the redevelopment,</li> <li>• to discuss the intended municipal plans and measures with them and</li> <li>• to encourage those affected by the redevelopment to participate in the redevelopment.</li> </ul> <p>The implementation of a redevelopment measure is a long-term process. The participation of those affected by the redevelopment is continuous. The participation of those affected is required by law during the preparation of the redevelopment as part of the preparatory investigation and when drawing up the redevelopment statutes.</p>
