Sachverhalt

- reliable
- competent and
- personally suitable,
- have reached the age of 21 and
- are German or EU citizens.

They must have successfully completed a state or state-recognized specialist training course. However, only persons who can present a valid clearance certificate may take part in such a course.

The certificate of competence for handling and/or dealing with explosive substances in accordance with the Explosives Act is only issued on application and generally for a period of five years. It can be restricted in terms of content, limited in time and also subsequently linked to conditions.

Erforderliche Unterlagen

- completed application form
- Valid identity card or passport
- Required proof of professional qualifications
- For EU foreigners: Certificate of good repute in a certified translation from the competent judicial or administrative authority in your home country or country of origin (e.g. extract from the criminal record). The certificate should not be older than three months. Otherwise, only facts that have been confirmed by the competent authority in your home country or country of origin may be regarded as evidence.

Voraussetzungen

As an applicant, you will receive a certificate of competence for the handling and/or transportation of explosive substances in accordance with the Explosives Act if you

- a natural person,
- reliable,
- knowledgeable and
- personally suitable.
- have reached the age of 21 and
- are German or EU citizens.
