large households (at least three children). If you belong to a special group of people, this will also be stated on the certificate of eligibility.

The housing entitlement certificate is usually valid for one year, i.e. you can move into a council apartment within this period. After the expiry date, you can apply for a new housing entitlement certificate. Furthermore, it can only be used once to move into social housing. The certificate of eligibility must be handed over to the landlord/landlady when the tenancy agreement is signed.

Erforderliche Unterlagen

****For written applications****

- Identity card for German citizens and nationals from the European Community (ID card)
- Passport for foreign citizens with a residence permit valid for at least one year

****ELECTRONIC****

Legitimization (user name / password) is also required electronically.

In addition:

- Declaration of income from each household member****who**** has their own income
- Depending on the income earned, appropriate proof must be provided. This can be, for example
 - Pay slips from the previous year
 - Pay slips for the last 12 months
 - Annual income tax statement for the previous year
 - Income tax assessment of the previous year

Depending on your personal situation, further documents may also be required:

people)

- Certificate of enrollment (e.g. for students)
- BAföGBescheide (for recipients of educational grants)
- Pension certificate (e.g. for pensioners)
- Proof of benefits from the job center (e.g. for the unemployed)

This list is not exhaustive.

Depending on the case, the administrative staff may require additional documents. If this is the case, you will be contacted immediately.

Voraussetzungen

- German or EU nationality
- Other nationality with a residence permit usually valid for at least one year
- Age of majority (or consent of the legal guardian/legal guardian)
- Households whose qualifying income does not exceed the income limit. Compliance with the income limit depends primarily on the number of people in the household and the income of all household members. The calculation is generally based on the gross annual income of all persons living in the household for the previous calendar year. In addition, there are exemptions and deductions, for example for people with a recognized severe disability/recognized degree of care.
- One of the requirements is that you are not only staying in the Federal Republic of Germany temporarily, but that you have or want to establish your center of life here. The center of your life is the place where you settle permanently, voluntarily, alone or with your family.

Kosten

The amount of the fees depends on the regulations of the respective federal state and the responsible municipality.
