Volltext	For language transmission for judicial, official and notarial purposes, translators (written transmission) and interpreters (oral transmission) may be sworn and publicly appointed in accordance with the Interpreting Act of the State of Saxony-Anhalt (DolmG LSA). Sworn and publicly appointed translators and interpreters are entered in an electronic directory (directory of translators, interpreters and interpreters). The directory is accessible on the Internet and can be consulted by anyone. The entries in the electronic directory can be processed via the Land coordinators at the Regional Court of Halle. The general oath has the advantage that, when consulted by a court or a notary in the district of the regional court in which the interpreter was generally sworn, the appeal to the general oath is sufficient instead of taking the oath in individual cases. https://www.gerichts-dolmetscher.de/Recherche/ https://www.gerichts-dolmetscher.de/Recherche/
