Volltext	<p>Anyone who trains persons who wish to obtain a licence to drive motor vehicles (learner drivers) requires a driving licence. The driving licence is issued on application in category BE and additionally in classes A, CE and DE.</p>
Erforderliche Unterlagen	<p>In order to obtain the driving licence, a written application must be submitted to the driving licence authority stating the desired class. In addition, the application must be accompanied by:</p> <ul style="list-style-type: none"> • official proof of place and day of birth • Curriculum vitae with handwritten signature • a medical certificate of mental and physical fitness • The licensing authority may also request the submission of a specialist medical certificate or the opinion of an officially recognised med. Require a psychological examination centre on mental and physical fitness • a certified copy of your driver's license(s) (The original driver's license can also be presented for inspection.) • Documents on driving experience • Proof of completed vocational training in a recognised teaching profession after at least completion of lower secondary education or equivalent previous education • Confirmation of registration from an officially recognised driving instructor training centre together with a certificate of the start of training there • a certificate of good conduct document type 0 for submission to the licensing authority

Modul

Sachverhalt

- a certificate from the officially recognised driving instructor training centre stating the duration of the training carried out

Voraussetzungen

Driving instructor is a state-recognized, nationwide uniformly regulated designation for a service profession in the transport sector. In order to practice this profession, you need the driving license. The requirements for this are regulated by the Driving Instructor Act. Training and testing is carried out in accordance with a nationwide training and examination regulations on the basis of this act. The driving licence is issued if the applicant

- is at least 22 years old
- is mentally, physically and professionally suitable and there are no facts that make him appear unreliable for the driving instructor profession
- has at least completed vocational training in a recognised apprenticeship after completion of lower secondary education or an equivalent previous education
- holds the driving licence of categories A, BE and CE and, if the driving licence is to be issued in category DE, the driving licence of category DE; a probationary driving licence is not enough
- has sufficient driving experience on motor vehicles of the category for which the driving licence is to be issued (it is sufficient if the applicant for the driving licence in categories BE and DE has sufficient driving experience on motor vehicles of category B and D)
- has been trained as a driving instructor within the last three years, and
- has proven professional aptitude in an examination.

Kosten

Gebühr: 40,90€
For the issuance of a temporary driving licence
Gebühr: 40,90€
For extensions to a permanent driving licence
The driving instructor examination is taken by a specially established examination board. The examination fee plus any examiner travel costs cannot be specified here in a binding manner.

Verfahrensablauf

The training as a driving instructor can only take place in one of the approximately 56 recognized driving

Modul	Sachverhalt
	instructor training centers nationwide. Not only the theoretical training, but also an internship in a training driving school is prescribed.
Bearbeitungsdauer	
Frist	The duration of the driving instructor training is: • for applicants for the driving licence of class BE five and a half months in a driving instructor training centre and four and a half months in a training driving school, • for applicants for the class A driving licence, an additional one month in a driving instructor training centre, • for applicants for the driving licence of class CE or DE, an additional two months in a driving instructor training centre, • If the applicant for class DE holds the driving licence of class CE, the duration of the training is shortened by one month; this also applies in the case of prior possession of class DE for the issuance of the driving licence class CE.
weiterführende Informationen	
Hinweise	For applicants who have already acquired a driving instruction license in the public service (Bundeswehr, police) and are seeking a civilian driving license, the driving instructor examination is not required. In addition to the above-mentioned documents, these applicants must attach to the application proof of possession of the service driving licence (e.g. certified copy of the driving instructor's licence). Persons who have acquired a licence to train learner drivers in other European countries can be granted a corresponding German driving licence under simplified conditions (§§ 2a and 3a FahrlG).
Rechtsbehelf	
Kurztext	Anyone who trains persons who wish to obtain a licence to drive motor vehicles (learner drivers) requires a driving licence. The driving licence is issued on application in category BE and additionally in classes A, CE and DE.
Ansprechpunkt	The responsibility lies with the State Administration Office - Transport.
