services. You can request that a person you trust be involved in the overall plan procedure.

- When all the documents are available, the competent body will check whether and which benefits you will receive on the basis of the information you have provided and the needs assessment. This also includes checking whether and to what extent your income and assets are taken into account.
- After your application has been reviewed, you will receive a decision.

Bearbeitungsdauer

The processing time of your application depends on various factors. Please contact your competent institution for integration assistance, which can give you more detailed information on the duration of the procedure. However, the authority to which you have submitted your application must determine whether it is responsible for your application within 2 weeks of receiving it. If the authority is not competent, it will forward your application to the competent body without delay. You will be informed about the forwarding. If the authority does not forward your application, it must determine and provide your need for assistance as soon as possible. If an expert opinion is required to determine your need, the authority must make a decision within 2 weeks once the authority has received the expert opinion. If the authority does not need to obtain an expert opinion, it must decide within 3 weeks of receiving your application.

Frist

If the authority was unable to provide a service that could not be postponed in time and you incurred costs for a service that you procured yourself as a result, the authority must reimburse you for these costs insofar as the service was necessary. The same applies if the authority has wrongly refused a service.
