## Voraussetzungen

### Fishing license:

To obtain a fishing license, you must successfully pass the fishing exam. There you must demonstrate sufficient knowledge of the following topics:

- the fish species,
- the conservation of fish stocks and water management,
- fishing gear and its use,
- the treatment of caught fish
- as well as the regulations of animal, water, nature conservation and animal disease law relevant to fishing.

In order to be admitted to the examination, you must attend a 30-hour preparatory course in which the knowledge required for the examination is taught. Such courses are offered by angling clubs and educational institutions.

Further information can be found on the website <https://fischerpruefung.sachsen-anhalt.de>.

### Youth fishing license:

Young people can only acquire a youth fishing license for which they must have passed a youth fishing examination. The youth fishing license only entitles you to fish for peaceful fish.

### Peace fishing license:

People who only want to fish for peaceful fish have the option of acquiring a peaceful fishing license. A peaceful fishing examination must be passed for this.

### Special fishing license:

Persons who are unable to take a fishing examination
