Teaser	Would you like to take a break from your studies? You can find out what you need to consider during a semester off here.
Volltext	There are many reasons why studies are interrupted. In most cases, a semester off is requested for this. If you also want to apply for a leave of absence, there must be an important reason for doing so. Important reasons for a leave of absence include: • pregnancy • a semester abroad • a temporary job offer Each university decides for itself whether a leave of absence is granted in your case. The advantage of a leave of absence is that you remain enrolled. This means that you keep your place at university. The leave of absence will not be counted towards your standard period of study. However, you are not entitled to benefits under the Federal Training Assistance Act (BAföG) during your leave of absence. You can usually only apply for leave of absence 2 times for a maximum of 2 semesters.
