Volltext	<p>You can report the loss</p> <ul style="list-style-type: none"> • at any identity card authority, usually the local citizens' office, or • with every police force. <p>In addition, you must apply for a new identity card if you are over 16 years old and do not have a valid passport document, i.e. passport or temporary passport. This is possible at the Bürgeramt at your main residence. If you do not apply for your identity card at your main residence, you need an important reason. In addition, a surcharge of EUR 13.00 will be charged to the fee. If you contact the Bürgeramt you have selected in advance, you can find out whether and to what extent the Bürgeramt acknowledges your reason. In the event that you find your ID card again, you must report this personally to your identity card authority. Only when you have officially reported your identity card as "found" will a corresponding entry with the police be deleted. If you have not applied for a new identity card, you can continue to use your ID card in Germany, which has been registered as recovered, without restriction until the end of its validity.</p>
