Teaser	Have you already studied medicine abroad for a few semesters and would now like to change universities? Find out more here.
Volltext	<p>If you have already started studying medicine abroad and would now like to continue at a German university, you can have the periods of study and academic achievements credited.</p> <p>If you have started a related course of study in Germany or abroad, you can also have this credited. In this case, it will be checked in advance whether your studies are comparable to a medical degree.</p> <p>You can only have an entire certificate of achievement recognized. Partial achievements will not be recognized.</p> <p>If you studied medicine domestically, this does not have to be credited.</p>
Erforderliche Unterlagen	Study in Germany: <ul style="list-style-type: none"> <li>• Application</li> </ul>

**Modul**
**Sachverhalt**

- Proof of university entrance qualification / high school diploma
- all certificates of enrolment or certificate of progress from your previous studies
- Certificate of enrolment or letter of admission to the medical degree programme in Saxony-Anhalt
- or - if you do not have this - a simple copy of the birth certificate
- Proof of achievement (certificates) from your previous studies (original)
- If applicable, certificate of equivalence (a certificate that your studies are comparable to a medical degree)

Study Abroad:

- Application
- Proof of university entrance qualification / high school diploma
- all certificates of enrolment or certificate of progress of studies
- a simple copy of the birth certificate
- Fächer- und Gradenübersicht / Transcript of records (Original der Universität)
- Certificate (if the studies have already been completed in the original)

**Voraussetzungen**

- Your studies are comparable to a medical degree

For the recognition of the 2nd stage of study, the following requirements also apply:

- You have passed the 1st section of the medical examination
