Teaser	If you have more than one first name, you can have their order changed by making a declaration.
Volltext	<p>You can have the order of several first names changed since November 1, 2018, without giving reasons. The prerequisite for this is that your name is subject to German law. This includes not only German nationals, but also persons entitled to asylum, foreign refugees and stateless persons.</p> <p>The only exception: in the case of first names with a hyphen, such as Hans-Peter, the order determined by the parents must be retained.</p> <p>Note: If you would like to have your first name changed for important or serious reasons, this can only be done via a change of name under public law. Changing the spelling and adding or omitting first names is otherwise still not permitted in official documents.</p>
