Teaser	As a rule, various disposal systems are set up for the disposal of recyclable materials (container collection and/or disposal at recycling centers).
Volltext	Recyclable materials are recyclable waste such as paper, cardboard and packaging made of glass, plastic or metal. Recyclable materials that are not packaging are regularly disposed of by the public waste disposal authorities. Recyclables can also be collected by commercial or non-profit providers (commercial or non-profit collection). As a rule, various disposal systems are set up for disposal (container collection and/or disposal at recycling centers).
Erforderliche Unterlagen
