Teaser	Would you like to work permanently in Germany as a curative educator? Then you must have your foreign professional qualification recognized.
Volltext	<p>The profession of remedial teacher is regulated in Germany. This means that you must have a specific qualification in order to work in the profession. If you have a foreign professional qualification as a curative education teacher, you can work in this profession in your chosen federal state under certain conditions.</p> <p>To do this, you must submit an application with all the necessary documents to the relevant state authority.</p> <p>In the recognition procedure, the competent authority compares your professional qualification from abroad with the professional qualification in the selected federal state and makes an equivalence assessment.</p> <p>In addition to the equivalence, the competent authority also checks the other requirements.</p>
