9. Police clearance certificate, document type 0
10. Declaration by the person qualified to carry out the examination on the freedom to issue instructions.

Expert opinion:

After the scope of the examination has been determined by the recognition authority, the applicant commissions an expert to give an expert opinion. This statement refers to the technical and organizational requirements of the company and the examination of the personal suitability of the applicant and his skills and knowledge of the legal standards in question for the corresponding test work. Insofar as the applicant has been accredited as a test laboratory or inspection body according to standards of the DIN EN ISO/IEC 17000 series, the scope of the expert opinion and, if applicable, the sample test will be coordinated accordingly.

Modul
Sachverhalt

Written confirmation from the insurer of an existing liability insurance in the amount of 2.5 million euros for the activity of the recognised person qualified to carry out the examination in accordance with the declaration of exemption

Voraussetzungen

- Completed technical vocational training or proof of another technical qualification of the person to be recognised, which qualifies for the intended test task
 - Practical experience of the person to be recognised with comparable work equipment over a reasonable period of time, so that the assigned test task is reliably performed
