| Teaser                        | If you want to carry out tests or issue certificates in accordance with the Chemicals Climate Protection Ordinance, you must be recognized by the competent authority.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                             |
| Volltext                      | Certificates of competence are required for the personnel carrying out certain work on refrigeration or air conditioning systems, for example. These certificates are issued after passing an examination. If you wish to carry out such inspections or issue certificates, you will require approval from the competent authority. This applies to the whole of Germany.                                                                                                                                                                                                                                                                                                                                                                                                                                                                          |
