Teaser	The Chambers of Commerce and Industry issue certificates of origin and other trade certificates for the export industry.
Volltext	In some countries, customs authorities, banks or companies of the importing country require the presentation of so-called certificates of origin when importing goods and, if necessary, the submission of further commercial documents certified by the Chamber of Industry and Commerce. A certificate of origin provides information about the place of origin of a product. As an exporter, you can apply for the issuance of such a certificate of origin or the certificate of a commercial document, e.B a commercial invoice, at your locally responsible IHK. Applications can be submitted in person, by post or
