Teaser	If you want to run a business whose activity consists of placing hatching eggs in incubators, incubating these eggs and supplying chicks, you must apply to the competent authority for registration.
Volltext	If you want to run a business whose activity consists of placing hatching eggs in incubators, incubating these eggs and supplying chicks, you must apply to the competent authority for registration. The following businesses must be registered: • Hatcheries with a capacity of 1,000 hatching eggs or more • Breeding and multiplication farms with a capacity of 100 animals or more If a business meets at least one of the above criteria, it must submit an application to register.
Erforderliche Unterlagen	• Application for registration of a holding in accordance with Regulation (EC) No. 617/2008 with regard to the marketing standards for hatching eggs and chicks of poultry
Voraussetzungen	

Modul	Sachverhalt
Kosten	
Verfahrensablauf	• You submit an application for registration as a hatchery, breeding or multiplication farm • The competent authority examines your application and informs you of the result in writing. • Upon registration, your farm will be assigned an identification number. • The permit can be revoked at any time if the necessary requirements are no longer met.
Bearbeitungsdauer	
Frist	
weiterführende Informationen	
Hinweise	Upon registration, the farm is assigned an identification number. This identification number depends, among other things, on the type of business in question, i.e. a pure hatchery receives a different identification number than, for example, a multiplication farm with an attached hatchery. This means that a separate registration application is required for each farm that is involved in one or more of these areas.
Rechtsbehelf	• Contradiction
Kurztext	• Hatcheries and establishments for the production of hatching eggs, registration • The following establishments must apply for registration: • Breeding establishments: Establishment whose activity consists of the production of hatching eggs for the production of breeding chicks, multiplier chicks or commercial chicks • Reproduction farms: farms whose activity consists of the production of hatching eggs for the production of commercial chicks • Hatchery: Establishment whose activity consists of placing hatching eggs in incubators, incubating these eggs and supplying chicks • Responsible: competent authority of the respective
