Sachverhalt

have already been notified to the competent authority before the start of operations when a required permit was issued or when the company was notified.

- Changes are communicated by means of an informal written declaration.
- In the written notification, the first and last name, address and date of birth of the person responsible are provided.
- Upon receipt of the notification, the authority checks the responsibility and, if it is not responsible, forwards the application to another authority.
- In the event of a need for correction, rectification is requested.
- Once the corrections have been made, the notification is checked again by the authority.
- Finally, the notification is archived on a company-specific basis.

Application in the online service:

- In the online service, please make the relevant entries via the responsible person or persons.
- The notification is automatically forwarded to the responsible authority after submission.
- In the event of a need for correction, you will be asked for rectification.
- Once the corrections have been made, the notification is checked again by the authority.
- Finally, the notification is archived on a company-specific basis.

Bearbeitungsdauer

None

Frist

The appointment or termination of the appointment of a responsible person must be reported immediately to the competent authority.
