- persons who use, guide or supervise plant protection products in the context of a training or ancillary activity;

if you have a phytosanitary certificate issued by the competent authority.

If you use or advise on plant protection products professionally, apply for proof of competence for the use of plant protection products including advice with the help of the nationwide online database.

Please note that the supply of plant protection products is not included in this certificate of competence.

You can upload the required documents (certificates, certificates, declaration of assumption of costs) online in the application procedure. The application is processed by the competent authority of the federal state in which the applicant with his first place of residence is registered.

If all requirements are met, you will receive a notification with the recognition of the competence. After receipt of payment, the proof of competence cards are produced nationwide once a month. The card will be sent to you by the print service provider by post.

acquaintances help you if you can't get along on the Internet). Further information can be viewed via the tile of the responsible federal state. The certificate of competence can be applied for with or without registration. Thereafter, the mandatory fields must be filled in with the information on the applicant. After entering the security code, you will be taken to the application page. Enter the application type here. The application type "application" includes the application of plant protection products and the application type "supply" includes the sale of plant protection products. After confirming the required knowledge of German and the recognition of the data protection declaration, you can upload your copies of your certificates, such as a letter of assistant or a certificate of proficiency. Finally, submit the application via the corresponding button. After submitting your data, a short information will appear in the online portal as to whether your application has been successfully submitted. You will not receive a separate e-mail or further confirmation. It is not necessary to additionally send the application signed by post.

Alternatively: If you cannot upload the certificate yourself, please send us the copy by post to the respective service.

Experts in plant protection from EU member states who want to use plant protection products in Germany also need a German certificate of competence.

For technical reasons, it is not possible to apply for the German certificate of competence via the online database.

Please contact the plant protection service or the body responsible for submitting the application in the federal state where you want to work directly.

For this you can use the service finder on the homepage.

In addition to the certificate, old or newly qualified persons whose degree was completed more than 3 years ago also need proof of participation in a
