(40,00 Euro for foreign certificates due to the higher examination costs)

## Verfahrensablauf

The Authority shall receive the complete application documents and verify the particulars and authenticity of the certificates and/or certificates. If all the requirements for competence have been proven, the authority prepares the certificate of competence and a fee notice. Upon receipt of payment, the authority will send the certificate of competence to the person making the application.

You need the new certificate of competence (SKN) in card format since 26.11.2015.

The application for this must be submitted online. (Please let your friends or acquaintances help you if you can't get along on the Internet). Further information can be viewed via the tile of the responsible federal state. The certificate of competence can be applied for with or without registration. Thereafter, the mandatory fields must be filled in with the information on the applicant. After entering the security code, you will be taken to the application page. Enter the application type here. The application type "levy" includes the sale of plant protection products. After confirming the required knowledge of German and the recognition of the data protection declaration, you can upload your copies of your certificates, such as a letter of assistant or a certificate of proficiency. Finally, submit the application via the corresponding button. After submitting your data, a short information will appear in the online portal as to whether your application has been successfully submitted. You will not receive a separate e-mail or further confirmation. It is not necessary to additionally send the application signed by post.

Alternatively: If you cannot upload the certificate yourself, send a copy by post to the responsible department.
