Teaser	Would you like to work permanently in Germany as a mine separator? Then you must have your foreign professional qualification recognised.
Volltext	<p>The profession of Markscheiderin or Markscheider is regulated in Germany. This means that you must prove a certain qualification in order to be allowed to work in the profession. If you have a foreign professional qualification as a Markscheider, you can work in this profession in the selected federal state under certain conditions.</p> <p>To do this, you must submit an application with all the necessary documents to the competent state authority.</p> <p>The competent state authority for mining compares your professional qualification from abroad with the professional qualification in the selected federal state and makes an equivalence determination.</p> <p>You will receive feedback after your application has been reviewed.</p> <p>If your professional qualification is equivalent and you meet all other requirements, you will be recognised as a Markscheider.</p>

Modul
Sachverhalt

If you lack professional qualifications for recognition, the notification will state the main differences. You can then make a compensatory measure.

Erforderliche Unterlagen

- Curriculum vitae
- Proof of identity (identity card or passport)
- Proof of your professional qualification
- Evidence of formal qualifications
- Proof of professional experience as a mine separator
- Proof of other qualifications
- Declaration of the place of establishment existing or envisaged
- Information on applications for recognition that have already been submitted. Then indicate to which body you have submitted the application.

You usually hand in these documents later. The competent authority will inform you when to hand in the documents:

- Proof of personal suitability (e.g. certificate of good conduct)
- Proof of health suitability: medical certificate

If your documents are not available in German, you must submit German translations of your documents. The translations must be made by translators who are publicly appointed or authorised.

Voraussetzungen

- Equivalence of your professional qualification

In addition to the equivalence of your professional qualification, you must meet further requirements for recognition as a Markscheider:

- Personal suitability: You are reliable for work as a mine separator.

Health suitability: You are medically suitable for work as a mine separator.

Kosten

350 €

Verfahrensablauf

You can submit the application for recognition of your professional qualification as a Markscheiderin or

Modul
Sachverhalt

Markscheider to the competent state authority. You must submit all necessary documents in the form of copies to the competent authority.

The competent authority then checks: Is your professional qualification with the professional qualification in Equivalent to your federal state? For example, the content of the training and the duration of the training are important for the comparison. The competent body shall also take into account your professional experience, other qualifications and qualifications.

The competent authority shall then examine the further requirements. If your professional qualification is equivalent and you meet all other requirements, your professional qualification will be recognised. You may then work in the federal state as a mine separator.

If the competent authority is unable to establish equivalence, you will receive a notification explaining the main differences. In order to compensate for significant differences, you can take an adaptation period or an aptitude test.

If you successfully complete the compensatory measure and meet the other requirements, you will receive recognition.

Bearbeitungsdauer

3 Monat(e)

The competent body shall acknowledge receipt of your application within one month. The competent authority will inform you if further documents are required. If you have submitted all the required documents, you will receive a notification with the result after 3 months at the latest. In certain cases, the competent body may prolong the procedure.

Frist

There is no deadline.
