Teaser	
Volltext	<p>Any use of public traffic areas that exceeds or restricts public use constitutes a special use. It requires the permission of the road construction authority and is subject to a fee. Applications, e.g. for construction work, containers, scaffolding and material storage, are processed by the two responsible authorities.</p> <p>The permit is issued to the applicant in the form of a decision and can be subject to conditions, requirements and time limits. It is at the discretion of the authority whether and with which ancillary conditions the permit is granted.</p> <p>If possible, contact the special use team first. They will forward the process if necessary.</p>
