Volltext	<p>If you have already obtained a residence permit for the purpose of attending school, you must apply for its extension in good time before the expiry of the validity of the residence permit.</p> <p>The Foreigners' Registration Office will extend the residence permit if the conditions for this are met. The issuance of a residence permit requires, among other things, that school attendance is the main purpose of your stay. Mere part-time schooling does not meet these requirements.</p> <p>This is generally granted for the duration of your stay.</p>

### Erforderliche Unterlagen

In principle, the extension of your residence permit requires the submission of the same documents as for the first issue:

- Recognized and valid identity document (e.g. passport or passport substitute)
- Up-to-date biometric photo in the passport (45 x 35 mm)
- Proof of securing a livelihood (e.g. from one's own assets, payment of a security deposit into a blocked account, bank guarantee, declaration of commitment, scholarship, proof of parents' income or similar)
- Proof of health insurance coverage (e.g. confirmation of health insurance coverage or insurance policy).
- Certificate from the school stating the duration and general conditions of school attendance
- In the case of minors: consent of all persons with custody to the planned school attendance (declaration of consent); if the parents with custody are unable to submit the application jointly for their child, a written power of attorney from the absent parent is required; if custody is granted to only one parent, the signature of that parent is sufficient

The documents and information must always be submitted in German. In individual cases, the Foreigners' Registration Office may require less or more evidence.
