## Sachverhalt

significance, so that the protection of employees and third parties and the reutilization of the surface can be ensured even without an operating plan obligation. is ensured.

## Kosten

## Verfahrensablauf

You can report the commencement of a mining operation online via the "BergPass" platform or directly to your competent mining authority.

Submit a notification of the commencement of a mining operation online via the "BergPass" platform:

- Call up the "BergPass" online platform and log in. To register, you will need a bundID and an identity card or residence permit with an active online ID function.
- Call up the registration form and fill it out completely and truthfully.
- Upload the required documents as a file and send the notification.

Submit notification of the commencement of mining operations directly to the responsible mining authority:

- Contact your competent mining authority and coordinate the required documents.
- Submit the notification and all documents to your competent mining authority.

Further procedural steps:

- The competent authority will review your notification and the documents submitted. If any documents are missing, the authority will contact you.

You will receive a notification confirming receipt of your notification. In addition, the notification will be sent electronically to the relevant mailbox (bundID or ELSTER company account) in advance and information will be displayed in BergPass.
