Sachverhalt

Voraussetzungen

- The applicant and the head of the dependent branch must be over 18 years of age
- Reliability of both the applicant and the head of the dependent branch office The required reliability requires above all that the applicant and the head of the dependent branch have no criminal record.
- Personal suitability of the applicant and the head of the dependent branch office The required personal suitability is not possessed, for example, by persons for whom facts justify the assumption that they are legally incompetent, addicted to alcohol or mentally ill.
- Specialist knowledge of the head of the dependent branch in the case of commercial arms trading If required, the head of the dependent branch office can obtain the necessary proof of specialist knowledge of the most important firearms and firearms regulations and of the type, construction and handling of common firearms and ammunition by taking an examination at the Chamber of Industry and Commerce. The specialist knowledge is deemed to be given if the manager of the dependent branch fulfills the requirements for the entry of a gunsmith business in the register of craftsmen.
- Proof of a need The need (a reasonable cause) may arise from a particularly recognizable personal or economic interest, for example as a gun manufacturer or gun dealer.
- Commercial or economic enterprise A permit is only issued if the manufacture or trade in weapons is carried out commercially or independently as part of a commercial enterprise.

Kosten

Administration fee: EUR 300 - 2,000

Verfahrensablauf

You can obtain the permit as follows:

- You make an application and submit the required documents
- The required documents are checked and you may have to submit additional documents if necessary
- Your age, reliability, personal suitability, expertise and need will be checked
- A decision is made on the firearms law
