Teaser	The cessation of a genetic engineering facility must be notified to the competent authority without delay, stating the date of cessation.
Volltext	As the operator of a genetic engineering facility, you must notify the competent authority of any significant changes. This also includes the cessation of operations. The competent authority must be notified immediately of the intention to cease operations. The notification must be accompanied by documentation on the planned measures for compliance. Accordingly, it must be ensured that there are no risks to legal interests even after the cessation.
Erforderliche Unterlagen	• Notifications in accordance with Section 21 (1b) of the Genetic Engineering Act • Copy of the extract from the commercial register, if applicable • If applicable, further documents on the planned measures to fulfill the obligations arising from § 6 para. 2 sentence 2 GenTG
Voraussetzungen	
Kosten	An administrative fee must be paid in accordance with the state ordinance on administrative fees. The obligation to pay fees also includes the rejection of
