## Modul

## Sachverhalt

certificate

- Proof of university entrance qualification,  
In the case of foreign certificates, also the letter of recognition
- Proof of the eight-week clinical traineeship according to the model in Annex 7 of the licensing regulations for pharmacists or the corresponding proof for pharmacy assistants, pharmacy engineers, pharmaceutical-technical assistants and pharmacy assistants
- Proof of having studied pharmacy for two years. If you are not yet able to provide this proof, it is possible to submit it within a period to be determined by the State Examination Office.
- Certificates of regular and successful participation in the courses in the subject areas listed in Annex 1 to letters A to D in accordance with the model in Annex 2 to the AAppO (licensing regulations for pharmacists). If you are not yet able to provide this proof, it is possible to submit it within a period to be determined by the State Examination Office.

Second section of the pharmaceutical examination:

- Certificate of passing the first section of the pharmaceutical examination in accordance with the model in Annex 10 to the AAppO
- Proof that you have studied pharmacy for at least four years. If you are not yet able to enclose this proof, it is possible to submit it within a period to be determined by the State Examination Office.
- Certificates of regular and successful participation in the courses in the subject areas listed in Annex 1 to letters E to I in accordance with the model in Annex 2 to the AAppO. If you are not yet able to provide this proof, it is possible to submit it within a period to be determined by the State Examination Office.
- The certificate for the compulsory elective subject prescribed in Annex 1 letter K (Aappo) in accordance with the specimen in Annex 3. If you are not yet able to attach this certificate, it is possible to submit it within a period to be determined by the State Examination Office.
