Handlungsgrundlage	<ul style="list-style-type: none"> • Richtlinie des Sächsischen Staatsministeriums des Innern für die Sportförderung (Sportförderrichtlinie)
Teaser	<p>With this funding, the Free State of Saxony supports projects in sports facility construction and the procurement of sports equipment under certain conditions.</p>
Volltext	<p>Funding of projects at Olympic bases, competitive sports venues and sports and sports management schools in accordance with the Directive on the Promotion of Sports (RL Sportförderrichtlinie), No. 01510</p> <p>With this funding, the Free State of Saxony supports projects in sports facility construction and the procurement of sports equipment under certain conditions.</p> <p>What is supported?</p> <p>Sports facility construction</p> <ul style="list-style-type: none"> • Projects to secure, refurbish, modernise, build new sports facilities, expand existing facilities and convert existing facilities • Priority is given to basic sports facilities such as sports halls, sports fields including the associated functional buildings and indoor swimming pools for swimming. <p>Attention! The promotion of indoor swimming pools is</p>

Modul

Sachverhalt

only permissible:

- as a replacement for existing indoor swimming pools, if it can be proven that a higher economic efficiency is achieved in comparison to renovation, or
- due to a strong population growth, especially if the practice of club and mass sports can demonstrably no longer be guaranteed

Procurement of sports equipment

- within the framework of the above-mentioned funding measures: Initial equipment or necessary replacements due to structural changes

Note: Sports facilities operated for profit or used to a significant extent by professional athletes are not eligible for funding. Co-financing of sports facilities for predominantly school use is also not possible within the scope of this funding.

Conditions

Type of funding Project funding: non-repayable grant (partial funding)

Amount

- up to 50% of eligible expenditure
- for investments in sports and sports management schools: up to 80% of eligible expenditure
- for investment projects at Olympic training centres: as a rule 30% of the eligible expenditure (Land share)

(Details: see funding module / SAB programme page)

Note: There is no legal entitlement to this funding.

Erforderliche Unterlagen

- Application forms
