Erforderliche Unterlagen	-
Voraussetzungen	Eligible applicants

Modul

Sachverhalt

- Local transport companies and rail infrastructure companies whose railway lines are used by local transport companies
- local authorities and their associations in accordance with Section 4 (1) ÖPNVG

Applicants must prove that

- the project will improve public transport in the Free State of Saxony,
- the objectives of the local public transport plan in accordance with Section 8 (3) of the Passenger Transport Act (PBefG) in conjunction with Section 5 ÖPNVG have been observed,
- The interests of people with disabilities and other mobility impairments are taken into account and the project fulfils the requirements of accessibility as far as possible,
- the relevant disability representatives or disability advisory councils have been consulted during the planning of the project. If a local authority does not have representatives for the disabled or advisory councils for the disabled, the relevant associations within the meaning of Section 5 BGG must be consulted instead.

Kosten

none

Verfahrensablauf

Projects to be funded must first be registered with the State Office for Road Construction and Transport (LASuV) for inclusion in the state public transport programme. The state office also advises on the application process.

Bearbeitungsdauer

Frist

The application for funding must be submitted to the State Office for Road Construction and Transport by 15 October of the previous year of the planned implementation or realisation of the measure at the latest.
