whether they require authorisation, do not require authorisation or do not require a procedure, or deviate from regulations that are not themselves examined in the authorisation procedure.

Erforderliche Unterlagen

Depending on the type of application, for example:

- Site plan with written part
- Extract from the property map
- Construction drawings
- Building description
- further attachments as required, e.g. proof of consent from neighbours for the granting of deviations, exemptions

The building experts supporting you will tell you which documents the lower building supervisory authority requires in detail. The lower building supervisory authority will request any missing documents.

Voraussetzungen

A deviation from local building regulations may be authorised if it is

- is compatible with public interests.
- The purpose of the respective requirement that is to be deviated from must also be taken into account and the neighbouring interests protected under public law must be considered

An exception to building regulations (stipulations of a development plan or other urban development statutes or regulations of the Building Utilisation Ordinance) may be permitted if it is expressly provided for in terms of type and scope.

An exemption from the provisions of the development plan may be authorised if

- the main features of the planning are not affected and
- Reasons of public welfare, including the housing

Modul

Sachverhalt

needs of the population and the need to accommodate refugees or asylum seekers, require the exemption or

- the deviation is justifiable from an urban planning perspective or
- the implementation of the development plan would lead to an obviously unintended hardship and
- is also compatible with public interests when neighbouring interests are taken into account.

Kosten

- procedural fee according to expenditure

You can find out the exact amount of the fee from your local building supervisory authority.

Verfahrensablauf

you can submit your application for a deviation, exception or exemption online, depending on the regulations of the respective lower building supervisory authority (-> Online application) or in writing using the prescribed form (-> Forms and other offers) .

Online application

To be able to use the online service, you must be registered for a _bundID_ account or for your company's _My Company_ Account.

- Follow the link above under -> Online application and log in on the start page via your bundID account or your company's My Company Account.
- First select your role (client, design author, representative) and, if necessary, invite other parties to process the online application.
- The majority of the building documents are submitted via attachments in PDF format, including property map, site plan, construction drawing, building description, neighbour's consent. The individual documents can be uploaded to the designated location in the online application using drag & drop.
- Once all mandatory fields have been completed correctly at each point in the online application, the persons involved (e.g. client and designer) can sign the application.

Modul
Sachverhalt

The signatures of the persons involved are replaced by secure identification and authentication via the user account bundID or via the My Company Account user account .

Written application

You can obtain the required form here via Amt24 (-> Forms and other services).

- Compile the required documents; complete the form sheets, print the application and sign it.
- Submit the complete application documents in triplicate to the responsible office.

Examination

- The authority will check your application submitted to ; if documents are missing or there are other deficiencies, you will be given a reasonable period of time to complete them.
- If the documents are complete and the requirements are met, the lower building supervisory authority will grant you authorisation for a deviation, exception or exemption.
