| Teaser                       | The water register is an official register similar to the land register. It records water rights and information on protected areas established for water management purposes. The register provides an overview and evidence of decisions made by the authorities.                                                                                                                                                                                                                                                                                                                                        |
