Hinweise (Besonderheiten)	#### Electronic Signature / Signature - How Can I Sign Electronically? A qualified electronic signature is required to fulfil the signature requirement for electronic applications. This is the only way to ensure that the identity of the sender can be verified. Your application and the necessary declarations require your handwritten signature. Under German law, your application form must be provided with a qualified electronic signature in order to be considered signed. You will need an appropriate programme for this. You can obtain electronic signatures from * Trust service providers (according to the list of the Bundesnetzagentur) or * the Bundesdruckerei (for citizens with a new ID card/nPA or electronic residence permit)
