	work-pedagogical skills, knowledge and abilities are possessed by those who
	<ul> <li>has passed the final examination in a specialisation corresponding to the training occupation,</li> <li>has passed a recognised examination at a training institution or before an examination authority or a final examination at a state or state-recognised school in a subject area corresponding to the training occupation,</li> <li>has passed a final examination at a German university in a specialisation corresponding to the training occupation or</li> <li>has obtained an educational qualification abroad in a specialisation corresponding to the training occupation, the equivalence of which has been determined in accordance with the Professional Qualifications Assessment Act or other legal regulations, and</li> <li>has worked in the profession for an appropriate period of time.</li> </ul>
	The Federal Ministry of Economics and Climate Protection or the other competent ministry may determine which examinations are recognised for which training occupations. It may also determine for individual training occupations who has the necessary professional skills, abilities and knowledge and under what conditions, and whether these must be proven separately. The Chamber of Tax Consultants of the Free State of
	Saxony may revocably recognise the professional qualification of persons who do not fulfil these requirements.
Kosten	Procedure: EUR 150.00
