Volltext	<p>When you register your child at the primary school in your school district, the school entry phase begins. At the time of school enrolment, you will be given the opportunity to make an individual appointment for the school entrance examination.</p> <p>The school entrance examination is the statutory compulsory examination for all children before they start school. A doctor from the paediatric and youth medical service of the responsible health authority will examine your child's level of development with a view to the imminent start of school. At least one parent must be present to provide the doctor with the necessary information.</p> <p>Contact point</p> <p>Paediatrician of the public health service</p>
Erforderliche Unterlagen	<ul style="list-style-type: none"> • Invitation letter from the health authority with details of the child's medical history (reverse) , • Immunisation card • yellow medical check-up booklet • if available: Severely disabled person's pass, spectacle pass • if required: medical reports
Voraussetzungen	<p>The following must take part in a school entrance examination</p> <ul style="list-style-type: none"> • all children who have reached the age of 6 by 30 June
