Volltext	The trade register is a list kept by the municipal authorities of commercial businesses registered in the municipality in accordance with Section 14 of the Trade, Commerce, and Industry Regulation Act (GewO). Public authorities and private individuals can obtain an extract from the trade register on request. Note: The information provides data on business registration or re-registration. They are not checked for accuracy or completeness by the competent authority.
Erforderliche Unterlagen	The following documents are required for information that goes beyond the basic data: • Proof of legal interest (e.g. invoices, payment requests, copies of contracts)
Voraussetzungen	You can obtain information on the trader's basic data (name, business address, registered activity) without any special justification. For extended trade register information that goes beyond this, you must provide evidence of a legal interest (e.g. assertion of claims) and the legitimate interest of the trader must not outweigh this. Note: The trade register is not a public register such as the commercial register, register of co-operatives or register of associations. You therefore have no legal right to be informed of the data. It is at the discretion of the competent authority whether to provide you with the information.
Kosten	• simple register information on a commercial
