podiatrist, technical assistant in medicine

If you would like to work in a specific health profession in Germany without restriction, you need a state permit. The permit entitles you to use the corresponding job title and to practice the profession.

For a list of health professions requiring a permit, see:

- GesundheitsberufeAmt24-Lebenlage

Foreign professional qualifications

If you have acquired your professional qualification abroad, the competent authority will check whether your qualification is equivalent to the corresponding German qualification. You will only be granted a permit if your training is recognized as equivalent.

Temporary exercise of profession

Nationals of the European Union or the European Economic Area who wish to work only temporarily and occasionally in Germany do not require a state permit. However, you must report your activity to the competent office. Further information can be obtained from the competent office.

Single Point of Contact (Einheitlicher Ansprechpartner)

For this procedure, you can use the service of the Single Point of Contact. They will guide you through the administrative procedure, take care of correspondence with all the offices responsible for your request and will be available to you as a competent advisor.
