Volltext	The provision of technical services, such as consulting, training, repair, maintenance and overhaul, related to the construction or operation of nuclear facilities in • Algeria, • India, • Iraq, • Iran, • Israel, • Jordan, • Libya, • North Korea, • Pakistan or • Syria may only be carried out with prior approval. Single Point of Contact (Einheitlicher Ansprechpartner) For this procedure, you can use the service of the Single Point of Contact. They will guide you through the administrative procedure, take care of correspondence with all the offices responsible for your request and will be available to you as a competent advisor.
Erforderliche Unterlagen	no information
Voraussetzungen	• the service provider must be aware of the above-mentioned connection of his service with the construction or operation of nuclear facilities in the above-mentioned countries or

Modul	Sachverhalt
	• he has been informed of this by the Federal Office of Economics and Export Control (BAFA).
Kosten	There are no fees.
Verfahrensablauf	If you know that your service is related to the construction or operation of nuclear facilities in Algeria, India, Iraq, Iran, Israel, Jordan, Libya, North Korea, Pakistan or Syria, you should: • contact the Federal Office of Economics and Export Control (BAFA) at an early stage and • apply for a license. Important: Before the license is issued, the provision of the service is not permitted. You can therefore apply for the license informally, for example by ordinary letter. All that is required is a detailed description of the service to be provided.
