Handlungsgrundlage	• § 44 Sächsisches Straßengesetz (SächsStrG)
Teaser	Damaged areas such as frost heave, potholes, major longitudinal and transverse unevenness, open joints and cracks on carriageways, inadequate carriageway drainage and obstacles on carriageways jeopardise road safety. The respective road owner is responsible for removing these. If you would like to report damage to municipal and local roads, please contact the responsible municipal or city administration.
Volltext	Damaged areas such as frost heave, potholes, major longitudinal and transverse unevenness, open joints and cracks on carriageways, inadequate carriageway drainage and obstacles on carriageways jeopardise road safety. The respective road owner is responsible for removing these. If you would like to report damage to municipal and local roads, please contact the responsible municipal or city administration. Note: Only in exceptional cases will you be notified that the damage has been repaired.
