Teaser	KfW uses the promotional loan to support investments in municipal and social infrastructure. The acquisition of land can also be financed.
Volltext	KfW uses the promotional loan to support investments in municipal and social infrastructure. The acquisition of land can also be financed. The following areas can benefit from the promotion: • Kindergartens, schools and sports facilities • Hospitals • Information structure • Transport infrastructure • Utilities and waste disposal • Land, if it is part of a project • ten years (two years grace period) • 20 years (three years grace period) • 30 years (five years grace period) • only interest payments during the grace period • thereafter equal quarterly instalments • Fixed interest rate for either ten or 20 years • The interest rate is fixed when the contract is concluded. (Details: see KfW promotional module / programme page) • There is no legal entitlement to the promotional loan. • Combination with KfW's "Renewable Energies" and "Entrepreneur Loan" programmes is possible.
Erforderliche Unterlagen	Please visit the KfW website for information on the necessary applications, forms and supporting documents.
Voraussetzungen	• Companies with a municipal shareholder background • non-profit forms of organisation • Public-private partnerships • Debt rescheduling

Modul	Sachverhalt
	• Working capital • pure capital investments • Housing • low-value assets
Kosten	• Application: none • Loan interest • 0.25% commitment fee if funds are not drawn down one month after commitment
Verfahrensablauf	• Ask your financing partner in advance whether the funding is suitable for your project. • If so, your financing partner will submit the loan application to KfW. You must enclose a project description. • If the funding is approved, you can access the funds through your financing partner. • After completion of the project, you provide proof of the use of the funds to your financing partner.
Bearbeitungsdauer	
Frist	Application: before the start of the project
