Extension of an FI Certificate

At least two of the following requirements must be met within the validity period:

- for an FI(A) instructor rating, at least 50 hours of flight instruction in the appropriate aircraft category as an FI, CRI or as an examiner
- completed refresher training for FI instructors at an Approved Training Organisation (ATO) or at the competent authority
- Competency assessment passed within the last 12 months immediately prior to the expiry date of the FI certificate (mandatory for FI(A) for every second renewal)

At least two of the following requirements must be met within the validity period:

- at least 10 hours of flight instruction as a CRI (in the case of CRI privileges for single-engine and multi-engine aeroplanes, equally divided between the two)
- passed refresher training as a CRI with an ATO or a competent authority
- passed competency assessment for multi-engine or single-engine aeroplanes (mandatory for every second revalidation for CRI)

For Expired FI or CRI Certificates:

- Refresher training at an approved training organisation (ATO) or a competent authority within 12 months before applying for renewal
- Passed competency assessment
