Sachverhalt

Note: The promotion of indoor swimming pools is only permissible if

- as a replacement for existing indoor swimming pools, if it can be proven that a higher economic efficiency is achieved in comparison to renovation, or
- due to a strong population growth, especially if the practice of club and mass sports can demonstrably no longer be guaranteed.

Procurement of sports equipment

- within the framework of the above-mentioned funding measures: Initial equipment or necessary replacement due to structural changes

Sports facilities operated for profit or used to a considerable extent by professional athletes are not eligible for funding. Co-financing of sports facilities for predominantly school use is also not possible within the framework of this funding.

Conditions

Type of funding Project funding: non-repayable grant (partial funding)

Amount

- up to 50% of the eligible expenditure
- for investments in sports and sports management schools: up to 80% of eligible expenditure
- for investment projects at Olympic training centres: as a rule 30% of the eligible expenditure (Land share)

(Details: see funding module / SAB programme page)

Note: There is no legal entitlement to this funding.
