## Sachverhalt

month and maximum four months)

- Place of training
- Training measures outside the company
- Payment and amount of training allowance
- Duration of regular working hours
- Duration of leave
- Conditions under which the contract can be terminated
- Other agreements
- Signatures of all contracting parties

A shorter training period may be agreed if prior vocational training such as vocational school or a basic vocational training year has been completed.

Note: If the trainee is not yet of age when the contract is concluded, the consent of the legal representative must be obtained before the contract can be concluded. In principle, both parents are entitled to represent the trainee jointly, in exceptional cases one parent or a guardian.

## Erforderliche Unterlagen

- A copy of the contract record (also in copy)
- A complete factual and temporal outline in accordance with the training regulations
- In the case of a shortened training period: Copies of the relevant documents (e.g. school reports)
- In the case of trainees who are not yet of age at the beginning of the training: Copy of the medical certificate of the initial examination

## Voraussetzungen

- The vocational training contract must comply with the Vocational Training Act and the training regulations.
- Training can only be provided in recognised training occupations. The exact designation of the training occupation is entered, if applicable with the specialisation.
- The training personnel and the training facility must be personally and professionally suitable.
- If prior vocational training is credited: prior vocational training recognised in the respective federal state
- For minors: According to the Youth Employment Protection Act, a young person may only be employed if he or she has been examined by a doctor within the last 14 months and the trainer has a certificate issued
