Modul

Sachverhalt

The IHK checks the submitted teaching and instruction materials as well as the teaching location and, if applicable, the teaching staff.

Erforderliche Unterlagen

The application to be submitted must include the following in addition to the scope of recognition (basic course, advanced course tank, advanced course class 1, advanced course class 7):

Course plans/sample lesson plans (timetable) for the training courses applied for:

- Timetable (with breaks)
- topic to be covered incl. time estimates
- Allocation of topics to the subject sector of the respective course plan
 - the times, taking into account breaks and travel times to and from the location of the training courses for the practical parts of the course (travel times are not included in the scheduled teaching times)
- Type of instruction (e.g. lecture, instructional discussion, technical media, film lecture, practical exercises)
- Marking of the practical parts

Documentation of the teachers used as proof of their professional and methodological-didactic aptitude:

- Professional background
- Proof of general knowledge of dangerous goods transport law
 - Proof of special knowledge for the respective training parts
 - Proof of competence in imparting knowledge in an adult-oriented manner
- Presentation of a valid ADR certificate for all classes
- Declaration of willingness to act as a lecturer

The location of the training should be suitable, especially for the practical parts such as training and fire extinguishing location. Also specify the equipment

Modul	Sachverhalt
	of the training site in your application.
Voraussetzungen	• Curriculum that corresponds to the specified course plans of the Chamber of Industry and Commerce (IHK) • suitable premises • suitable teaching material • qualified teaching personnel
Kosten	Procedural fee: Calculation according to the fee schedule of the IHK
Verfahrensablauf	• You submit the application to the responsible IHK • the IHK first checks the material • if necessary, representatives visit the teaching facility on site • if necessary, assessment interviews are held with the teaching staff Finally, you will receive a notification of recognition from the IHK. You are then allowed to offer courses for dangerous goods safety advisors within the scope of the permit.
Bearbeitungsdauer	Examination of the documents: about three weeks **Note:** Conducting an assessment interview with the teachers may lead to a longer processing time if necessary.
