Volltext	If you wish to employ a pregnant or breastfeeding woman between 8 p.m. and 10 p.m., you must obtain authorisation from the supervisory authority responsible for maternity protection. The competent supervisory authority may refuse or temporarily prohibit you from employing the pregnant or breastfeeding woman during this period in order to ensure the protection of the health of the woman or her child. If the supervisory authority does not refuse or temporarily prohibit employment, you may employ the woman between 8 p.m. and 10 p.m. subject to the requirements of the Maternity Protection Act. **Note:** This does not replace the notification of employment of a pregnant or breastfeeding woman in accordance with Section 27 of the Maternity Protection Act. Please use the form available for this purpose.

Modul

Sachverhalt

If you have any questions regarding the implementation of maternity protection, please contact the supervisory authority responsible for maternity protection. For the Free State of Saxony, this is the State Directorate of Saxony. Note: For companies that are subject to mining supervision, the Saxon Mining Authority is the supervisory authority responsible for the implementation of maternity protection monitoring.
