Sachverhalt

Online Application

- Log in to the service account. If you do not yet have a service account, set one up under "Register free service account".
- Click on the button under Online application.
- Fill in the data fields according to the instructions and upload the required documents. You can save the details temporarily at any time and complete them at a later date. You can find cached versions under "My online applications" in your service account.
- Once all data fields have been completed, finalise the application. The data will be sent to the department responsible.
- You will find confirmation of receipt in the inbox of your service account. You will receive a notification of incoming messages to your personal e-mail address.

Written Application

- Use the forms provided for reporting. Submit the completed and signed document to the department responsible. You can send the documents electronically by e-mail.

Examination

- The responsible health authority will record your details and confirm your report.
- The health authority will contact you for an on-site inspection of your well and coordinate the next steps with you.

Bearbeitungsdauer

Frist

Notification: • no later than 4 weeks before (re)commissioning, construction or transfer of ownership • after decommissioning within 3 days
 Notes: • If you only become aware of a circumstance requiring notification after the 4-week period, it is sufficient to notify us immediately after becoming aware of it. • If, in the case of mobile and temporary water supply systems, the circumstance requiring notification is caused by emergency response, civil
