Teaser	If you want to search for archaeological finds and monuments in Saxony with or without a metal detector, you need a permit.
Volltext	If you want to search for archaeological finds and monuments in Saxony with or without a metal detector, you need a permit. Single Point of Contact (Einheitlicher Ansprechpartner) You can use the service of the Single Point of Contact for this procedure. They will guide you through the procedure, take care of correspondence with all departments responsible for your request and provide you with expert advice.
Erforderliche Unterlagen	none
Voraussetzungen	• Majority
Kosten	none
Verfahrensablauf	You can submit your application to the responsible department in writing or online (see -> Online application). • After receiving your application, the responsible department will invite you to an information meeting by e-mail. This will provide you with basic information on the subject of "exploration in Saxony". • You will then be invited to a training course. Training courses take place three times a year. • After completing the training, you will receive authorisation for one year and one district. Online Application

Modul
Sachverhalt

- Log in to the service account. If you do not yet have a service account, set one up under "Register free service account".
- Click on the button under Online application.
- Fill in the data fields according to the instructions. You can save the information at any time and complete it at a later date. You will find cached versions under "My online applications" in your service account.
- Once all data fields have been completed, finalise the application. The data will be sent to the responsible department.
- You will find confirmation of receipt in the inbox of your service account. You will receive a notification of incoming messages to your personal e-mail address.

Written Application

- Submit the informal letter with the required information on the search area and the objectives of the search to the responsible department. You can send the documents electronically by e-mail.
- The responsible department will check the application and confirm receipt.

Bearbeitungsdauer

1 to 2 months

Frist

Period of validity of the search authorisation: 1 year
