inspector in the federal state. If you lack professional qualifications for recognition, the notice will state the essential differences. You can then take a compensatory measure.

Erforderliche Unterlagen

The following documents are required for the equivalency assessment:

- Application form
- Curriculum vitae
- Proof of identity (identity card or passport)
- Proof of your professional qualification (e.g. certificates, professional diploma)
- Proof of the content and duration of your education (e.g. Diploma Supplement, Transcript of Records)
- Proof of work experience in the profession
- Proof of other qualifications
- Information about any application for recognition that may already have been submitted. Then indicate the office to which you have submitted the application.

You do not yet live or work in the EU, the EEA or Switzerland? Then you may have to prove

- You want to work in the profession in the federal state. Evidence includes, for example, applications for a job, invitations to interviews or a location note from the Central Service Office for Professional Recognition (ZSBA).

The following documents are required for occupational licensure:

- Proof of your personal suitability: for example, criminal record excerpt or certificate of good conduct.
- Proof of your health suitability: medical certificate
- Proof of your German language skills: Language certificate with proof of level B2 German language skills.

Modul

Sachverhalt

The proofs of personal and health suitability as well as language skills do not have to be submitted already when applying for the examination of the equivalence of your foreign qualification.

You must submit your documents in German. The translations must be done by publicly appointed or authorized translators.

Voraussetzungen

- Equivalence of your professional qualification
 - Personal suitability: you are reliable to work as a disinfectant and have no criminal record.
 - Health suitability: You are mentally and physically able to work in the profession.
 - You have German language skills at the required level.

Verfahrensablauf

You can apply for recognition of your professional qualification as a health inspector at the competent state authority. You must submit all the necessary documents in the form of copies to the competent body.

The competent body will then check: Is your professional qualification equivalent to the professional qualification in your federal state? For example, the content and duration of the training are important for the comparison. The competent body also takes into account your professional experience, further certificates of competence and qualifications.

The competent body then checks the other requirements. If your professional qualification is equivalent and you meet all other requirements, your professional qualification will be recognized. You are then allowed to work in the federal state as a health inspector.

If your professional qualification is not equivalent to the German professional qualification, you will receive a notice explaining the essential differences. To

	compensate for substantial differences, you can take a compensatory measure. The competent office will inform you which compensatory measure you can take. If you successfully complete the compensatory measure, you will receive the recognition.
Bearbeitungsdauer	The competent office will confirm receipt of your application. The competent office will inform you if further documents are required. If you have submitted all the required documents, you will usually receive a decision with the result after 3 months. In certain cases, the competent body may extend the procedure.
