Verfahrensablauf

- Applications for direct payments are submitted annually as part of the joint application by 15.05. of the current year exclusively via an online application (AsDigital).
- Depending on other requirements, applications for the individual components such as basic income support, supplementary redistributive income support, supplementary income support for young farmers and organic schemes are submitted as part of the joint application.
- Already ****registered applicants**** can download and start the application program directly.
- ****New applicants**** must first complete the "Software request for agricultural support" form online. They will then receive the access data to download and start the electronic application.
- For ****farm transfers**** (farm handover or start-up): In the event of a change in farm ownership or other operational changes (change of legal or company form, change of residence or name), it is not permitted to submit an application under the previous applicant number or with the old master data. You will need a new applicant number for this. To do this, complete the farm transfer form and the "Software request for agricultural support" form before submitting your application.

Bearbeitungsdauer

There is no statutory processing deadline for applications for the support program. Direct payments must be made by June 30 of the year following the year of application at the latest.

Frist

The application deadline is always May 15 of the year.
